

# Susanna Euston PHOTOGRAPHY

## *Photographic Artistry Training*

Susanna is available to teach individuals or groups Photography Basics as well as more advanced Artistry Techniques—including “Classical” (photo-realistic) and Abstract Nature, Creative Composition and Basic Photo Software Skills (Lightroom, Photoshop & Plug-ins). Her skills in both photography and communications give her the ability to effectively teach all levels.

### SPEAKING

Susanna loves to speak to groups on just about any photo topic, but especially enjoys providing overviews of “Classical,” Intentional Camera Movement (ICM), Infrared and Macro Nature Photography, as well as Composition. Her focus is on in-camera techniques.

She is also available to provide thoughtful Critique Sessions packed with helpful insights. They are interactive and designed to encourage participants to take their image-making to the “next level.”

### TEACHING

Susanna creates and delivers beautiful PowerPoint Programs & Workshops that instruct and inspire. Topics include “Classical” and Abstract Photography Techniques and embrace “vision” and craft.

Programs can include Field Trips and Image Critiques and can range from a meeting format to one or more days. (See Workshops at <http://www.SusannaEustonPhotography.com> for upcoming programs.)

### ONE-ON-ONE INSTRUCTION

Do you wish to become proficient in Camera Capture or Processing Techniques and prefer working directly with an instructor? Susanna will work with you one-on-one or in a small group to advance your knowledge of “Classical” and Abstract Nature Photography Techniques, Composition and Software.
